TIPS for creating your best ad

- Your photos will look and fit better if your photo is the same orientation as the picture box. (Horizontal vs vertical orientation.)
- Use clear, high-resolution photos. If your photo is blurry, it will be blurry in your ad.
- Refer to the letter below each design to identify which layout you wish to use for your student's ad.
- Please submit the correct number of photos and words as shown below the layout of your choice.
